

Langley Mill Academy Sports Premium Strategy Statement

1. Summary information					
Academic Year	2024-25	Total Sports Premium budget	£18,700	Date of most recent SP Review	25/10/24
Total number of pupils	295	Number of pupils eligible for SP	295	Date for next internal review of this strategy	July 2025

2. Barriers to pupils' engagement in sport
Limited opportunity to participate in high quality sports provision outside of school
Economic barriers reduce access to clubs & sports through, membership, transport and equipment.
Reduced awareness of the importance of a physical lifestyle and the association of increased mental health and wellbeing.
Less opportunities to try and develop skills in a range of sports.

External Provider/Support	Aims
Amber Valley Sports Partnership (co-ordinate and facilitate sporting opportunities for schools within the area)	To increase the accessibility of sporting opportunities for pupils in the Amber Valley area. They provide CPD opportunities for staff. (This is an organisation that co-ordinates and facilitates opportunities for schools to access – they are not a direct deliverer in school) AV ensure that sport is inclusive at all levels to all students.

3. Planned expenditure					
Academic year	24/25				
i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
All pupils to take part in a competition, work	Students to be able to access after school and cross trust competitions.	As with all subjects, students have different interests and skill level depending on the subject matter. We have	Staff to be asked frequently who they feel would benefit from	LB	July 25

the CPD of current staff.		Staff will also be present in these lessons and this will secure the subject knowledge of staff to deliver high quality P.E lessons.	provision. Feedback from staff on how their subject knowledge has improved. £9000 to AVSSP staff		
Improve the number students attending after school clubs	Targeted after school clubs.	Whilst we have improved the number of students who are attending after school clubs, there is still a number of targeted students who are not accessing these. As well as providing opportunities for students who have previously attended clubs, targeted clubs aimed at students who have been disengaged previously will help to build self-esteem and confidence in sports.	We are now able to offer high quality after school clubs. The attendance of these will be monitored to ensure equality and fair access to all vulnerable groups. Within these, we can offer a range of sporting events, that encourage both boys and girls to attend. We have available to us also due to affiliation to AVSSP, such things as wheelchair basketball and fencing, thus offering wider opportunities to the students. £2000 on AVSSP staff	LB AB	July 25
Purchase new equipment to support lessons,	Ensure there is enough equipment out on the playground at	All children are engaged in sports and have access to	Identify equipment needed and ensure this	LB	July 25

4. Review of expenditure			
Previous Academic Year		23-24	
Activity	Resources	Intended outcome	Evaluation
Students to take part in competitions, whether they are during or after school.	AVSSP £1050 yearly fee Transports £3000	Students to be able to access after school and cross trust competitions. Students will be able to volunteer to participate and may also be selected to participate to ensure appropriate inclusion of all pupils.	Students attended competitions, throughout the year. This helped with self confidence, self belief and an all round community spirit to the school. It also gave students the opportunity to take part in activities that they wouldn't usually be able to, whether this is due to not attending clubs outside of school or just simply never trying them before.
Students to have matching PE kits for P.E to reflect our academy values and team ethos.	£2500	By buying the students a P.E top each it has meant that the school has a smart P.E uniform, and gives a greater feeling of belonging and importance.	Students all look the same, preventing any issues of brand shaming during P.E this helps with student wellbeing. They are all following the uniform policy and show an ownership to the school and each other.
To use AVSSP coaching to help improve the quality of the delivery of P.E and to aid in the CPD of current staff.	£9,000 to AVSSP for staffing	This will help to catch up the subject knowledge and skills of the students who still have gaps which have been missed at a younger age due to the COVID-19 pandemic. Staff will also be present in these lessons, this will aid in the subject knowledge of the staff leading to them in the future delivering high quality P.E lessons.	Through using AVSSP the standard of P.E lesson across school has improved. This has lead to positive feedback from students and staff. Students are enjoying the P.E and staff are able to learn as they teach or observe leading to stronger P.E lessons across the week.
Improve the number students attending after school clubs	Targeted after school clubs. £2500	Whilst we have improved the number of students who are attending after school clubs, there is still a number of targeted students who are not accessing these. As	Students were able to access a wide range of different after school clubs. This helped to further enrich their curriculum in school as well as promoting and helping with wellbeing. It also gave them opportunities to spend time with

		well as providing opportunities for students who have previously attended clubs, targeted clubs aimed at students who have been disengaged previously will help to build self-esteem and confidence in sports.	friends as well as meet and interact with different peers. Parents have voiced how much they appreciate the different clubs that LMA offers and how much their child enjoys them.
Purchase new equipment to support lessons, extra curricular clubs and diverse sports on offer.	£780	All children are engaged in sports and have access to high quality equipment during lessons and lunchtime.	New equipment was bought throughout the year to enable students to have the equipment they required during lessons. It also gave the students more equipment to use at dinnertimes. This has resulted in students playing together more cooperatively and has helped with friendships and wellbeing.
	Total - £18,830
