

Music development plan summary: Langley Mill Academy

This is a summary of how our Langley Mill Academy delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

Overview

Detail	Information
Academic year that this summary covers	2024/25
Date this summary was published	6/09/24
Date this summary will be reviewed	July 2025
Name of the school music lead	Louise Simcox
Name of other music education organisation(s) (if partnership in place)	Derbyshire Music Partnership

Part A: Curriculum music

At Langley Mill Academy we utilise Kapow's Music Scheme of work, The scheme takes a holistic approach to music, in which the individual strands are woven together to create engaging and enriching learning experiences, on average one hour per week.

The strands are as follows:

- Performing
- Listening
- Composing
- The history of music
- The inter-related dimensions of music

Over the course of the scheme, children will be taught how to sing fluently and expressively and play tuned and untuned instruments accurately and with control. They will learn to recognise and name interrelated dimensions of music – pitch, duration, tempo, timbre, structure, textures and dynamics.

Our children will then have the opportunity to use this knowledge in their own improvisations and compositions.

In line with the DfE's 2021 Model Music Curriculum, Specialists teachers plan and deliver ukulele lessons to our Year 4 cohort.

Our music scheme of work is mapped so that all of the National Curriculum attainment targets are met, it shows progression of skills taught within each year group and how these develop year on year.

Weekly singing assemblies take place, where all children participate in songs from different genres and decades.

Part B: Co-curricular music

We have peripatetic music teachers who offer lessons in flute and violin. Pupils are offered and take up the offer of subsidised music lessons with our music teacher. Many of our pupils take up this offer, entering, as well as developing their performance skills through concerts for parents.

We have a young voices choir, which is free for all children to attend. The children learn songs from different genres and decades which culminates in a concert with up to 9000 children at Sheffield Arena in February 2025.

The choir will also have the opportunity to take part in community projects with the local secondary school at Christmas and in 2025.

Part C: Musical experiences

- Weekly assemblies where children have the opportunities to listen and perform different genres of music.
- Yearly Christmas performances in church where all children sing and perform
- Annual free trip to the pantomime for two cohorts where children get to experience people performing, playing and singing at a theatre.
- Year 4 perform and sing with the Halle Orchestra during the summer term.
- Year 4 whole school community performance for parents and families.
- Yearly singalong (last day in December term) where children and staff share their musical skills with the rest of the school.
- Out of School lessons – Pupils who have lessons out of school are encouraged to send in a photo of their achievements in exams or performances and these are published on our weekly newsletter. They receive a celebration values sticker.
- Pupils are encouraged to play their instruments in assemblies.
- All activities are either free or heavily subsidised for the children to take part.

In the future

- To continue improvements across the school we will be extending the range of different musical experiences (e.g. from different cultures).
- We will also enhance the range of instruments available by pooling resources with other schools within the trust
- Invite musicians into school to share their passion during assemblies and provide workshops throughout the day.
- We would love to provide our children with more opportunities to watch live music performances and develop a strong pupil voice.

Furthermore, we will continue to provide our staff with CPD to continue to develop their confidence and subject knowledge.

Further information

The Department for Education publishes a guide for parents and young people on how they can get involved in music in and out of school, and where they can go to for support beyond the school.
